

CERTIFICATE OF CLINICAL REFLEXOLOGY
ACCREDITED BY REFLEXOLOGY ASSOCIATION OF AUSTRALIA

The Certificate of Clinical Reflexology is designed by the RAOA to meet the minimum education needs of Reflexologists for membership into the Reflexology Association of Australia. The Certificate is a Professional Certificate with RAOA ownership and copyright.

This Certificate is designed to work with the Government Accredited HLT Diploma of Reflexology and many of the units within the Certificate parallel the requirements of the HLT Government Accredited Diploma units to enable upgrading to the Diploma. Although it should be noted if people do want to continue onto the Diploma there will be charges from RTOs for Recognition of Prior Learning and the RAOA has no control or influence on the amount charged by RTOs.
